Rate Card 2016

Membership of CBMT is based on the four Listings Categories on the new website:-

- **Where to Stay**
- **What to Do**
- **Where to Eat**
- **Where to Shop**

The rates shown apply for businesses applying for one entry in one Listing Category.

It is possible to be listed under more than one Listing Category for which there is an additional charge of £20 +VAT for the cheaper listing. For instance a large Activity Provider may have accommodation, so the fees would be £60 + £20 +VAT.

You can also register for more than one type within a Listing Category at no extra charge, as long as the business address is the same. For example an Accommodation Provider may have B&B and self-catering at the same address. There is no extra charge for this listing, please tick each box.
